S&P/ASX Indices Consultation on Share Updates of Foreign-domiciled Securities Results

SYDNEY, JUNE 7, 2019: S&P Dow Jones Indices (“S&P DJI”) has conducted a consultation with members of the investment community on a potential change to the S&P/ASX Indices.

In order to provide a more accurate representation of the number of shares outstanding, S&P DJI will increase the frequency of share updates for foreign-domiciled securities in the S&P/ASX Indices. The table below summarizes the change.

<tbody>
<tr>
<td>Share Updates of Foreign-domiciled Securities</td>
<td>Share updates for foreign-domiciled securities take place annually at the March rebalancing. The update to the number of shares outstanding only takes place when the six-month average of CDIs or the Total Securities held in the Australian branch of issuer sponsored register (where supplied) and in CHESS, as of the March rebalancing, differs from the current number of shares used by 5% or more.</td>
<td>Share updates for foreign-domiciled securities take place quarterly at each rebalancing. The update to the number of shares outstanding only takes place when the three-month average of CDIs or the Total Securities held in the Australian branch of issuer sponsored register (where supplied) and in CHESS, as of the rebalancing, differs from the current number of shares used by 5% or more.</td>
<td></td>
</tr>
